Michaela Moore, President

Epiphany  
Elementary School  
Sayre

Dear Michaela,

I want to take this opportunity to thank you for again facilitating our Fibers of the Earth clothes drive this year. This was the second year that we looked to this fundraiser as a way to help us raise money to close the gap that exists between the income and operational expenses at St. Agnes School.

LaSalle  
Academy  
Jessup/Dickson City

The flyer that you provided for us to copy and send home with our students and post throughout our area was very helpful. I especially want to thank you for making the trip to Towanda with the street-sized banner that we were able to have put up in a prominent place downtown in our community. It was beneficial to include various technology items on the list of acceptable donations. It was also very convenient for us that you made arrangements to have all our donated items picked up. We very much appreciated the quick turnaround time from the collection of items to our receipt of the check for them.

Marian Catholic  
Elementary School  
Scranton

St. Agnes School is Middle States accredited. This year's theme was "Stewardship," which encompassed the careful use of our resources. Our mantra was to "reduce, reuse, and recycle." The Fibers of the Earth project was the perfect venue for us to get our message across to not only school families, but to the community at large.

Our Lady of Peace  
Elementary School  
Clarks Green

We found that the participation level this year increased by 33% over last year's. This translated to collecting 3,000 more pounds of donated items and an increase in our profit. We were very pleased to know that this activity also helped others less fortunate who would benefit from our efforts.

Sacred Heart  
Elementary School  
Carbondale

We look forward to having the third annual Fibers of the Earth drive in 2010-2011. Please feel free to share our success story with any other group who strives to help our environment and at the same time, help themselves and others. It's a win-win situation!
